PCP Senegal is being implemented within the framework of the Plan Sénégal Emergent (PSE), the country’s national development strategy. The overall objective of the PSE is to transform Senegal into “an emerging country by 2035 with social solidarity and a state of law”. PCP Senegal is supporting the implementation of the industrial component of the PSE, with a focus on selected priority industrial projects aimed at spearheading the structural transformation of the economy.

FLAGSHIP INITIATIVES:

- ◇◇ The establishment of a new generation of industrial parks
- ◇◇ The establishment of three agro-poles: north, south and centre regions of Senegal
