

YOUTH RISING

Technical Training for Young Liberians

Funded by the
EUROPEAN UNION

In cooperation with

Implemented by

The “Youth Rising” initiative aims to support Technical and Vocational Educational and Training (TVET) in Liberia funded by the European Union (EU) in-partnership with the Ministry of Education (MoE) and Ministry of Youth and Sports (MoYS), implemented by the United Nations Industrial Development Organization (UNIDO). “Youth Rising” in alignment with Liberia’s National TVET Policy (2015-2020). The Project contributes to youth employment by improving access to quality technical and vocational education for young women and men, promoting entrepreneurship, and connecting education with the private sector. To achieve this goal, the project will support six (6) schools located in the counties of Montserado County (Monrovia), Margibi (kakata), Grand Gedeh (Zwedru), Sinoe (Greenville) and Maryland (Harper).
