PCP Zambia will support the Government in the implementation of its Vision 2030 and the Eighth National Development Plan, in line with the UN Strategic Development Partnership Framework for the country. The PCP in Zambia will contribute to a diversified, competitive, inclusive and sustainable industrial economy.

FLAGSHIP INITIATIVES:

- ❖ Public-private partnerships for skills development and youth employment in key industrial sectors: Zambian Industrial Training Academy (ZAMITA) and the training of construction equipment operators
- ❖ Promoting renewable energy-based mini-grids for productive use in rural areas
