SADC FOREST

FOREST SECTOR EDUCATION AND TRAINING FOR GREEN EMPLOYMENT – GETTING IT RIGHT IN SOUTHERN AFRICA

TIMELINE
01.12.2014 - 30.06.2017

PROJECT DESCRIPTION
• Providing training for 145 young male and female students from the SADC region
• Short course trainings in forestry-related subjects over the course of 2016 and early 2017

KEY MILESTONES
• Piloted PPDP training packages and training of trainers until early 2017
• Started six new PPDP training packages, training of trainers and training of beneficiaries in March 2016

BEST / GOOD PRACTICE
• Developed partnerships with small and medium-sized enterprises (SMEs)
• Contributed to female economic empowerment
• Attracting companies
• Ensuring the sustainability of training activities at the host institution

TIPS FOR NEW PPDPs
• Pilot first, scale up the project later
• Use the LKDF as a platform to facilitate technology transfer
• Reduce project development time by leveraging LKDF resources
